Please see photo's Section A, page 3.

Over the past 27 years that I have been assisting those in need throughout both Wisconsin and Illinois, I have come across many fellow creations living in desperate need of our help. As you can see from the photos in Section A, page 3, these children and grandmother were living in desperation. They knew nothing but hunger and sadness. At their age they should not have had to feel those pains, they should be healthy and full of happiness. I always sign my letters with Health and Happiness, God Bless, Sal, because I wish that not only for all of those that I find in the pains of poverty, but for everyone. As I reach into the lives of those in need of shelter, food, utilities... I also want to leave them with the seemingly simple prayer for health, happiness, and God's Blessings.

Together, over the years, we have helped thousands. I could not have accomplished this without all of your help. Not only do we stop the obvious pains of poverty: hunger, sadness, fear, living without the most basic necessities of life, we also get the personal satisfaction of seeing and feeling the goodness we have created. That goodness makes you feel you are trying to do your best in Gods eyes. That feeling makes you want to continue to do the good works you are achieving and share it with others. Helping our fellow American's is our gift, our Caring and Sharing.

Now in the worst global recession since the Great Depression, our fellow creations are suffering more than ever. Together, through our acts of kindness, through our Caring and Sharing, we need to take a stand against the crime of poverty in all its various forms. We the people, United American's, will make a big difference in the well being of many.

I invite each and every one of you to please join us on Friday, May 1st. Please stop by anytime between 12 noon and 6 p.m. We will be offering tours of our new facility. Please remember, we will not be giving food out on this day, we will start giving food out on Saturday, May 2nd. This day is for anyone and everyone who believes in our stand to help our neighbors and make our area a better place for all to live. Your presence, if even for just a few minutes, is so important in our stand against hunger and our support of our fellow creations. Please visit.

Health & Happiness, God Bless,

W.C./Sal Dimiceli, Sr.
