

The Time Is Now to Help is honored to announce the launch of the Family Legacy \$25,000 Matching Grant to support our continuing poverty relief efforts. The Family Legacy \$25,000 Matching Grant will double the value of every donation made — up to \$25,000 — thanks to the generosity and insight of a dedicated matching donor.

Every dollar donated will be matched 100%, effectively doubling the impact of our poverty relief efforts. Every matched gift will go directly towards assisting people who are suffering — including working poor families, single mothers with children, senior citizens, veterans, and the disabled. These funds will be used 100% to provide those suffering in poverty with essentials such as food, payment of utility bills, shelter assistance, transportation assistance, and so much more.

In the summer months we see an overwhelming increase in the number of individuals and families reaching out for help with food, utility assistance and shelter. Inflation, job loss, illness, and housing instability are creating devastating hardship for many who are already living on the edge. The Family Legacy \$25,000 Matching Grant comes at a critical time. Over the upcoming weeks it will allow us to help twice as many people with the basics they need to survive.

The Time Is Now to Help has been serving our fellow creations since 1989, with over 25,000 people provided poverty relief over the years. All funds are distributed directly to those in need, without any overhead or expenses taken from your donations. Every dollar goes where it is needed most — directly to those suffering due to the effects of poverty. Our work together has been honored to receive several national awards, including 2011 Top Ten CNN Hero, featured on Fox News and in a segment of CBS News “On the Road” with Steve Hartman, WGN News, People Magazine, Readers Digest, a 2017 Realtor Good Neighbor award winner, and numerous awards from other organizations acknowledging our poverty relief efforts. Thanks to the support of generous donors, thousands of our fellow creations have already been offered a helping hand out of poverty over the past 36 years. Your matching donations will allow us to continue our poverty relief efforts during the busy summer months when the need for assistance always exceeds our donations.

All donations made toward the Family Legacy \$25,000 Matching Grant will be used immediately to provide:

- Emergency food and nutritional support
- Rent and shelter assistance to prevent homelessness
- Utility assistance to prevent utility disconnections
- Critical car repairs and transportation for employment and medical care
- New beds
- Household necessities
- Toiletries

Together, we can make twice the difference for those who need it most. Your kindness will bring relief, dignity, and hope to our neighbors in need who are struggling in silence. For

hundreds of people each year we are the last resort before suffering the fates of homelessness and hunger.

Please continue to pray for those suffering through poverty, hunger, illness, and uncertainty. When we Care and Share, we bring light into the lives of those in need. The new Family Legacy \$25,000 Matching Grant will help bring light to many in our community who are suffering in the darkness of poverty. With every person who cries tears of relief I say a prayer of gratitude for the generous donors who make their poverty relief assistance possible. Thanks to “You” we know we are not doing this alone. We have our generous donors and matching grant providers beside us every step of the way.

Thank you and God Bless you for making this and all our poverty relief efforts possible.

Health & Happiness, Love & GOD Bless Everyone, Sal
